At Evelyn Grace Academy/Ark Schools, we sometimes take photographs/videos of pupils. We use these photos/videos in the school's prospectus, in our newsletter, on social media, on the school's and Ark's website and on display boards around school.

We would like your consent to take photos or video recordings of your child for the duration of your child's enrolment at this school and use them in the ways described above. If you're not happy for us to do this – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to the school.

- I consent to the taking of and use of photos/videos of my child in internal displays.
- I consent to the taking of and use of photos/videos of my child on the school/Ark website, in social media feeds and in publications.

-OR-

- I am **NOT** happy for the school to take any photos/videos of my child or use any photos/videos of my child.

If you change your mind at any time, you can let us know by emailing [info@evelyngraceacademy.org](mailto:info@evelyngraceacademy.org), calling the school on 0207 737 9520 or just popping in to the school office.

If you have any other questions, please get in touch.

### Why are we asking for your consent?

You may be aware that there were new data protection rules that came into effect in May 2018. To ensure we are meeting the new requirements, we need to seek your consent to take and use photos of your child. We really value using photos of our pupils, to be able to showcase what they do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent.
