18<sup>th</sup> April 2019

Dear parents and carers,

It is with deep sadness that I write to inform you of the tragic death of one of our teachers, Toby Savill, who was killed along with his wife Milly, in a quad bike accident while holidaying in Greece.

Everyone here at Evelyn Grace Academy is deeply saddened by the huge loss.

Understandably, this news has come as a real shock to us all and so we will be looking to support those staff and students who require it at this difficult time. Any parents or students who have any concerns or questions are encouraged to get in touch with the school.

Our entire community is keeping Toby, his wife and their families in our thoughts and prayers and we will let you know details of any memorial service that is being planned.

Toby joined our school in September 2018 as a newly qualified teacher of history and quickly established himself as a very dedicated and passionate educator. His enthusiasm was infectious. He had a very strong relationship with his students and was extremely well-respected by his fellow staff members. He will be greatly missed by one and all.

Yours sincerely,

Tim Dainty
