

25th May 2018

Dear Parent/ Carer

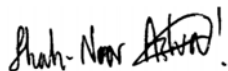

As I am sure you are aware, all Year 11 students are currently sitting important GCSE examinations; these external exams will determine whether your son/ daughter is able to access their sixth form/ college course next academic year.

As this is such an important time, the Academy would like to offer **extra revision classes during the half term**. Extra sessions are always popular and students will benefit from this additional opportunity to prepare for the exams. **Please find attached the timetable of sessions on the reverse of this letter**. Students are reminded that these sessions are compulsory; they can wear their own clothes and bring snacks but should arrive ready to focus and work hard.

As well as attending all relevant sessions it is also important that students are revising independently at home for a further 4 hours per day; this time could be spent revising key content by self-quizzing, buddying with another student and explaining key concepts and discussion points, creating spider grams and using those resources to improve their knowledge, as well as practicing past papers, reading examiners' reports and analysing exemplar material from exam boards.

Finally, please support us in ensuring that **students are in school from 7:30am every day** they have an exam to attend the morning booster session from now until the their final exams. At EGA we have all of the necessary support available to ensure student's success and they should not be keeping themselves at home to revise independently. Supervised revision sessions during the Academy day in Summer 2 Term will ensure students can have the best support to improve progress and meeting their targets.

Yours sincerely,

Mr S-N Ashraf
Assistant Principal

May 2018 - Year 11 Summer Half Term Revision Schedule

Day	Year Group	Subject	Session	Teacher	Rooms
Monday:	11	MFL	AM	RBU	3.35
