Yr10 Lambeth College – 14, 17 & 18 July 2017

29th June 2017

Dear Parent/Carer

Year 10 – Future Inspires - Careers Success Programme

For the 5th year running, Year 10 students are taking part in an exciting 3 days of insight into the World of Work and career planning at **Lambeth College Clapham on Friday 14th, Monday 17th and Tuesday 18th July 2017.**

This very successful programme replaces the traditional work experience but students can still arrange their own Work Experience after Year 11, when they are 16 and able to have a better choice of activity:-

Whilst the programme is at Lambeth College, it is actually facilitated and run by the award winning **Entrepreneurs in Action** (Queen's Award for Enterprise Promotion). Students will learn a number of lifelong skills to help them in their pathway towards a successful and fulfilling future, including:

- Looking at what it takes to be successful in the present climate
- Job hunting, interviewing, networking skills and how to safeguard your digital footprint
- Master classes, mock interviews and coaching from top recruitment specialists in a variety of different fields
- Apprenticeships and how to apply
- CV shaping by mentors, professionals who work for business and commerce
- How to prepare and complete Further Education and 6th Form college applications

To give students an experience of the world of work and responsibility they will be expected to wear **business dress** and to make their own way to and from the venue.

Packed lunch and snacks will be provided by Evelyn Grace Academy at the college each day for *ALL* students.
