21<sup>st</sup> October 2020

Dear parents and carers,

I write to inform you of some measures we are putting in place to keep our students safe. Some young people who do not attend our academy have thrown fireworks in the last week. These incidents have been investigated and we have begun to identify those responsible. None of the people involved are students from Evelyn Grace Academy, but it is our students who we need to safeguard. We are obviously working with the police and sharing any information so that they can take appropriate action.

To help keep our students safe we are asking them to leave the local area and go home within 30 minutes of their dismissal from school. We have put extra staff on duty to support with this. We will sanction students who do not meet this expectation.

We ask that you support the academy and insist your child does as requested.

If you would like to discuss this, please do not hesitate to contact me.

Yours sincerely

Mr Dainty  
Principal
