

Ark Evelyn Grace Academy

Thursday 5th January 2023

Dear Parents and Carers

I am writing to you as I have now received the OFSTED report, following our Inspection in the Autumn term. The report can be found [here](#) on our website.

We are pleased that the work we have done on both behaviour and personal development has been validated by OFSTED in the report and rated Good. The report states that pupils 'are happy and enjoy attending school.' It also recognises the development of our curriculum in English, maths and science which contributed to last year's 17 percentage point increase in the number of year 11 students achieving a grade 4 or above in English and maths GCSEs.

The report also identifies areas for improvement, such as adapting our teaching to better support the needs of pupils with special educational needs and developing a broader and more consistent approach to our curriculum. We have already made strong progress in these areas and based on last year's GCSE results, we are confident that what we focus on, we will improve.

I want to recognise the commitment and hard work of all the adults who work at EGA and the help and guidance provided by our school governors.

Finally, I would also like to take this opportunity to thank our students for their hard work and contribution to the Evelyn Grace community, and to thank you all for your continued support.

Yours sincerely,

Mr T Dainty,
Principal
