

Ark Evelyn Grace Academy

7th July 2020

Dear parent and carers,

On Thursday July 2nd, the Government issued its guidance on how schools will operate when the new school year starts in September.

We are currently reviewing all of the detailed information in the guidance and we will be in touch on Monday 13th July to share with you an update on our plans for the safe return to school for all students in September.

It has been wonderful to have students from years 10 and 9 back in school. We look forward to seeing students from Years 8 and 7 this week and next, for their academic review day meetings. We are really looking forward to seeing everyone when the new school year starts.

Until the end of this term on Friday 17th July, school will continue to be open every day for students in years 10 and for children of key workers and vulnerable students. Spaces are very limited, but if your child has not yet come back but you would now like them to do so until the end of the term, please contact us at info@evelyngraceacademy.org so that we can make the necessary arrangements.

Please continue to encourage your children with their home learning.

Thank you for your ongoing support.
