

TRINITY LABAN CONSERVATOIRE OF MUSIC & DANCE & EVELYN GRACE ACADEMY

Trinity Laban Conservatoire of Music and Dance is the UK's only conservatoire of music and contemporary dance education. We also offer opportunities for schools, children and young people to engage in music and dance through exciting and high quality participation programmes, activities and events throughout the year.

Trinity Laban's music Learning & Participation team are working in partnership with Ark Evelyn Grace Academy over the course of 2 years to research how cultural organisations can work in partnership with schools to support young people to progress in their music making, funded by Youth Music. Here is a brief summary of some of the activities that have taken place in 2017 as part of the partnership.

LAUNCH

The year kicked off with a launch in February where members of staff from Trinity Laban joined pupils and staff from EGA for an afternoon of music-making.

PRACTICE CLUB

Throughout the year, many pupils have been attending the weekly Practice Club which is held after school on Wednesdays. This is a chance for pupils to practice under the guidance of Trinity Laban students, with the aim of improving their practice techniques and also providing the opportunity to ask musical questions surrounding their own practice.

ANIMATE EXPERIENCE DAY

Animate Orchestra is a young person's creative orchestra with members from across Greenwich, Southwark, Lambeth and Lewisham. In April, EGA hosted an Experience Day, with students travelling from all over South London to EGA for masterclasses with music professionals.

CADOGAN HALL

Following the Animate experience day, pupils from EGA joined Animate Orchestra to perform alongside Junior Trinity as part of the Children and Young People's Programmes Celebration Event at Cadogan Hall.

EXPLORING JAZZ IMPROVISATION

EGA Pupils enjoyed three days of jazz masterclasses from jazz tutors at Trinity Laban during which time they got a taste of what it is like to study jazz at a conservatoire.

SUMMER SCHOOLS

Three pupils participated in Beyond the Dots, a summer school held at Trinity Laban. They took part in a variety of workshops such as creative ensemble work, music tech and song-writing to improve their music making skills.

RESEARCH

As part of the two year Youth Music partnership, the research team from Trinity Laban are carrying out research into progression routes into music training outside of school. Research has been carried out at all the events this year and will continue to happen in 2018. We look forward to sharing our findings with you.

LONDON PHILHARMONIC ORCHESTRA

EGA pupils and parents visited the Royal Festival Hall for a London Philharmonic Orchestra concert to see a programme of orchestral music that included pieces by Tchaikovsky and Beethoven. They received a workshop before the concert with two musicians from the London Philharmonic Orchestra exploring themes and ideas from the concert.

WHAT'S ON?

COMING UP IN 2018 FOR PUPILS AT EGA

ANIMATE TASTER SESSIONS

For those who have never experienced Animate Orchestra before! Two taster sessions will be held at EGA with group from feeder primary schools and will give pupils a chance to try out being part of this exciting ensemble.

EXPLORING JAZZ IMPROVISATION PROJECT

EGA students will have the opportunity to come to Trinity Laban and take part in masterclasses from Trinity Laban jazz tutors to work on and develop their skills in jazz music.

LONDON PHILHARMONIC ORCHESTRA

Students from EGA will have the opportunity to experience a live concert with the London Philharmonic Orchestra at the Royal Festival Hall.

PRACTICE CLUB

Running every Wednesday after school in the music department, Trinity Laban students are available to support EGA pupils in their practice. Practice club is open for new members – why not drop in and give it a try?

LAMBETH MUSIC SERVICE

The Lambeth Music Service is an organisation that provides music tuition to young people in the borough of Lambeth. The Music Service operate a Music Centre which takes place on Saturday mornings and offers a wide range of musical tuition on various instruments as well as ensemble classes and music technology classes. For more information, please visit: <https://www.lambethmusic.co.uk>

JUNIOR TRINITY

Junior Trinity is the Saturday Music Department for 3-19 year olds that runs at Trinity Laban. Young people receive Individual tuition on their chosen instrument and are part of a variety of small and large ensembles. There are also regular performance opportunities at prestigious music venues around London including Cadogan Hall and LSO St Luke's.
