Face coverings in school

Dear Parents and Carers,

As you will be aware, London has been placed in tier 2 restrictions to reduce the spread of covid-19. Evelyn Grace Academy is to remain open – the first day back after half term is Tuesday 3rd November. To reduce the chance of infection, face coverings will be required to be worn in communal areas indoors in our school.

The expectation is that every student comes to school with a face covering.

When to wear:

Students will wear face coverings at line-up before they go into lessons, on corridors and stairs, in their lunch-line and in assembly. Students will not be required to wear them in classrooms as they are in their bubble and not coming into contact with students that they don't normally.

What to wear:

Students should wear actual face coverings, rather than scarves or bandanas. These should be plain blue, black, green, white or pink. They should also be a different face covering to the one that you wear on public transport

How will we support students:

We expect every student to have a face covering. We will check that they have a face covering at the gate and at morning line-up. We will remind them when they need to wear them and wait until they have put them on. We will give shout-outs to classes who are all wearing them. We will stop groups where face coverings are not being worn and ask them to do it again. We will give out responsibility and self-discipline merits. Finally, we will contact parents to discuss where necessary.

If you have any questions regarding this issue, please contact Mr Rowley on j.rowley@evelyngraceacademy.org

Have a good half term break – we wish you and your family well.

Kind regards,

Mr T Dainty
Principal
